Dear Partner

As valued partners of D-BOX Technologies, we would like to clarify some facts and communications about our ongoing collaboration in Germany.

ECCO Cine Supply and Service, a leading cinema integrator in the DACH region, remains D-BOX's preferred and sole distributing partner in Germany. For over a decade, we have worked tirelessly to deliver more than 170 screens equipped with multiple rows of haptic D-BOX seats across various regions. The number of D-BOX screens supplied by ECCO has consistently increased by about 10 to 20 per year, featuring both classic and luxury seating options.

We are deeply grateful for your ongoing support and trust in D-BOX haptic technology. Should you have any questions, concerns or require further information, please do not hesitate to reach out to me. We value your partnership and remain dedicated to driving innovation and excellence in the cinema industry.

Thank you for your continued collaboration. We look forward to achieving even greater success together in the future.
